Respected Sir,

Sub: Establishment - Udipi Electrical Undertaking - Regular absorption as L.D.C. - orders - requested.
Ref: Government order No.G.O.Ms.No.2234 dated 21-5-53.
SE/Mykara's endt.No.A./UP/P/1310 dated 17-6-53.

In respect of the Government order No.G.O.Ms.No. 2234 dated 21-5-53 and endorsement of Superintending Engineer, Coimbatore No.A./UP/P/1310 dated 17-6-1953, I beg to state that the office staff of the Udipi Electrical Undertaking have been absorbed in the State Government and in which myself has been absorbed as clerk on special cadre in the scale of Rs.20-1½-35 from 1-6-1951 onwards. In this connection, I humbly place before you the following few facts and my earnest grievances for kind consideration and favourable orders.

I have been appointed in the Udipi Electrical Undertaking as clerk and on consequent of acquiring the above concern, I have been taken over by the Government and was appointed as clerk vide order No.A./UP/4/No.17 dated 1-6-51 in the scale of Rs.20-1½-35, vide ~~xxx~~ on 1-6-1951. I have also been absorbed in the same cadre and scale of pay i.e.clerk (special cadre) in the scale of Rs.20-1½-35, vide G.O.Ms.No.2234 dated 21-5-1953 from 1-6-1951 onwards, further as per office order No.P.S/P.4/272/54 dated ~~xxxxxxx~~ 19-3-1954 of Superintending Engineer, Mykara Electricity system, Coimbatore, I have been declared to have satisfactorily completed two years period of probation.

I beg to state, regarding my educational qualifications, I have appeared for S.S.L.C. and secured the percentage of marks as mentioned in the enclosed marks list, in the S.S.L.C. Public examinations. Further I beg to bring to your kind consideration that the marks which have been secured by me is sufficient for the regular clerical cadre.

Though I have been absorbed in G.O. No.2234 dated 21-5-53, as clerk on special cadre in the scale of Rs.20-1½-35, I have been actually working in the regular Lower Division Clerk's seat and discharging my duties as other clerks have been entrusted. But I am very much sorry to state that even having been working sincerely and satisfactorily as other Lower Division Clerks and being eligible to afford all thefacilities as other clerks, I have been paid my salary only in the scale of Rs.20-1½-35 plus Rs.19/- as dearness allowance and usual house rent of Rs.5/-

Lastly, I beg to state that I am the only person earning in my family, and with this meagre pay which I am now drawing in this special cadre is not at all sufficient to maintain myself in these hard days and at the same time to look after my dependents who are living at South Kanara, as they are solely depending upon my earning.

I request humbly to consider my humble grievances sympathetically and to grant necessary exemptions and facilities as declared to some clerks of the other acquired undertakings and to absorb me in the regular state cadre of Lower Division

Sir,

Sub: Electricity Department - ~~Esta~~ Establishment - Udipi elecl. undertaking - Sri K. Balakrishna - Absorption in Madras Ministerial Service.

I am directed to invite a reference to the last item in the Table in para 1(1) of G.O.Ms.No.2234 P.W. dated 21-5-1953 wherein Sri Balakrishna, an employee of the Udipi Co. elecl. undertaking acquired by the Govt. on 1-6-1951 was ordered to be absorbed into Govt. service as clerk in the special cadre. (It has since been reported that the correct initial and name of that employee is K. Balakrishna). The absorption of the employee in the special cadre was necessitated by the fact that at that time he did not possess the minimum general educational qualification required for absorption into regular service cadre, the marks obtained by him in English at the S.S.L.C. Public Examination being less than the prescribed minimum of 40%. The C.O.E.(S) has ~~since~~ now reported that the employee has ~~subsequently~~ since acquired the prescribed qualification for appoint-ment as Lower Division Clerk in the

I acknowledge receipt of the S.S.L.C. Book of Sri K. Balakrishna sent along with the G.O. cited above.

For CHIEF OPERATION ENGINEER(SOUTH)

Sub: ELECTRICITY DEPARTMENT - Establishment - Udipi elecl. undertaking - Absorption of Sri K. Balakrishna in Madras Ministerial Service - Proposal.

Ref: From Sri K. Balakrishna, petition dated 28-4-55.
From the C.O.E.(S) No.2613 E/53-6 dated 18-5-55.
From the C.O.E.(S) No.2613 E/53-7 dated 27-5-55.

The file deals with the proposal for revising the orders in G.O.Ms.No.2234 P.W. dated 21-5-53, so far as it relates to the absorption of Sri K. Balakrishna, an employee of the Udipi elecl. undertaking, into Govt. Service.

2. Sri K. Balakrishna was employed as clerk in the Udipi elecl. undertaking when the undertaking vested in the Govt. on 1-6-1951 under the Acquisition Act of 1949. Since the employee did not then possess the requisite minimum general educational qualification for absorption in public service, because of deficiency in the number of marks obtained in English at the S.S.L.C. Examination, he was ordered to be absorbed as clerk in the special cadre with effect from 1-6-51 on a pay of Rs.29 in the scale of Rs.20-½-35 as applied to him under the ex-licensee before the vesting date plus D.A. and H.R.A. at Govt. rates. Sanction was also accorded to the grant of a personal pay to the employee to the extent necessary to make up the shortage, if any, between the D.A. of Rs.25/- he was drawing under the ex-licensee and the total amount of D.A. and H.R.A. at Govt. rates allowed to him on his absorption in the special cadre.

3. It is now reported that Sri Balakrishna has since acquired the minimum general educational qualification for absorption in the regular service cadre in the Madras Ministerial Service by obtaining the requisite number of marks in English in the S.S.L.C. examination held on 15-10-1954. In the circumstances

the C.O.E.(S) has recommended that Sri Balakrishna may be absorbed as Lower Division Clerk in the Madras Ministerial Service in the scale of Rs.45-3-60-2-90 with effect from 16-10-1954, i.e. the date following the date of the S.S.L.C. Examination in English referred to above. The recommendation of the C.O.E.(S) at 'K' above is in order and may be accepted.

The proposal for the absorption of Sri Balakrishna in Madras Ministerial Service involves refixation of his pay, seniority, leave rules etc. and the position in respect of these matters is noted on below:-

Fixation of pay: The employee would now be in receipt of a basic pay of Rs.35, being the maximum in the licensee's scale of pay made applicable to him on his absorption in the special cadre in Govt. service and his present total emoluments will be Rs.60. The C.O.E.(S) has recommended that the initial pay of the employee on his absorption as L.D.C. in Ministerial Service may be fixed at Rs.45/- as on 16-10-54, i.e. the minimum in the scale of pay applicable to the post of L.D.Clerk, ~~as on 16-10-1954~~, the employee being allowed to draw his next increment in that scale on 16-10-1955. This may be agreed to.

The C.O.E.(S) has further recommended that no arrears of pay etc. need be paid to the employee consequent on his absorption as L.D.C. from 16-10-1954. This suggestion of the C.O.E.(S) does not seem acceptable in view of the orders in G.O.Ms.No.3610 P.W. dated 15-10-1954 according to which the staff of acquired elecl. undertakings regularly taken over into Govt. service are entitled to arrears of pay etc. In view of this, arrears of pay may be allowed in the present case of Sri Balakrishna for the period from 16-10-1954.

Leave Rules: The employee may be governed by the Madras Leave Rules with effect from 16-10-1954.

Pension: The employee was below 30 years of age as on 16-10-1954, i.e. the date from which he is proposed to be absorbed as L.D.C. In accordance with the usual practice, he may be governed by the Contributory Provident Fund Pension-Insurance System with effect from 16-10-1954.

Seniority: Seniority of the employee in the category of L.D.C. in the Ministerial Service may be counted from 16-10-1954.

Probation: The employee may be deemed to be on probation with effect from 16-10-1954 in the category of L.D.C.

Relaxation of service rules: The employee is now over 25 years of age. Hence, the rule relating to age may be relaxed in his favour to provide for his absorption in Ministerial Service. The rules relating to reservation of appointments and discharge for want of vacancy may also be relaxed.

Consultation with the M.P.S.C: Since the post of L.D.C. in which the employee is proposed to be absorbed is within the purview of the M.P.S.C., the concurrence of that body will have to be obtained for the appointment of the employee in that post without the usual statutory reference to it and this may be done.

4. A supernumerary post of L.D.C. in Madras Ministerial Service may be created with effect from 16-10-1954 to provide for the regular absorption of Sri Balakrishna in that post. This will be in lieu of ~~the~~ one of the two posts of clerk (special cadre) ~~now held by Sri Balakrishna and~~ sanctioned in para 4(iii) of G.O.Ms.No.2234 P.W. dated 21-5-1953 ~~and the organisation~~ which the employee is now counted, and the supernumerary post will be continued till Sri Balakrishna is confirmed in the Department in the

normal course.

The proposal in this file relates to the absorption of Sri K. Balakrishna into the Madras Ministerial Service instead of in the Special cadre as previously ordered in G.O.Ms.No.2234 P.W. dated 21-5-1953.

2. Sri K. Balakrishna, an employee of the Udipi Co. elecl. undertaking acquired by the Govt. on 1-6-1951, was regularly absorbed as clerk in the Special cadre in the Elecy. Deptt. with effect from 1-6-1951 on a pay of Rs.29 in the scale of Rs.20-1½-35, i.e. the same scale as applied to him under the ex-Udipi licensee as on the vesting date, plus Dearness and House Rent Allowances at Govt. rates. The absorption of the employee had to be in the 'special cadre' ~~only~~ as he did not possess the requisite educational qualification for absorption in regular service cadre in the Deptt. Sanction was also accorded to the grant of a personal pay to the employee to the extent necessary

p.t.o.

to make up the shortage, if any, between the Dearness allowance of Rs.25 drawn by him under the ex-licensee and the total amount of Dearness and House Rent Allowances admissible to him in Government Service.

3. Examination held on 15-10-1954. So, he has recommended that Sri Balakrishna may be absorbed as Lower Division Clerk in the Madras Ministerial Service in the scale of Rs.45-3-60-2-90 with effect from 16-10-1954, i.e. the date following the date of the Examination in English referred to above. He will be allowed arrears of pay from 16-10-1954 as in similar cases.

Leave Rules: The Madras Leave Rules will be applied with effect from 16-10-1954.

Pension System: As in similar cases, it is proposed to bring the employee under the Contributory Provident Fund - Pension - Insurance System with effect from 16-10-1954.

Seniority: Seniority of the employee in the category of L.D.C.s will be counted from 16-10-1954.

(contd.)

Relaxation of service rules: As in similar cases, it is proposed to relax the rules relating to age, reservation of appointments and discharge for want of vacancy in favour of the employee to provide for his absorption as L.D.C. in Ministerial Service. It is also proposed to obtain the concurrence of the Madras Public Service Commission for the absorption of the employee in that post without the usual statutory reference to the Commission.

Creation of additional post: It is proposed to create a supernumerary post of L.D.C. in Ministerial service with effect from 16-10-1954 to provide for the absorption of Sri Balakrishna. This post will be in lieu of the supernumerary post in the special cadre now held by the employee and will be continued till he is confirmed in the normal course in a substantive vacancy in the Deptt.
